Energy Session

Edd L. Edwards

Edd has trained his autonomic nervous system to interact with the ever shifting isomeric configurations, called “resonant energy,” that are ubiquitous in all living organisms. By attuning this resonant energy with a patient, he then shifts the frequencies of their energy in a way that gives maximum benefit for healing. In most cases, this creates tingling, heat and an awareness of energy flowing through the recipients body or bodies.

This initiation is for all people on all paths. Shivabalayogi said that this initiation into meditation will only strengthen and deepen your own path of choice. This is a rare opportunity to get a non-religious transmission of shakti and sacred ash to help people meditate deeper and improve their own spiritual practice.

NEW TO THE PHOENIX & DRAGON BOOKSTORE

Nancy Kelly Hedges—Certified Astrologer and Tarot Reader, 36 years of experience

Nancy specializes in astrological counseling to empower you with a clearer understanding of your life patterns, cycles, and options. She looks at qualities brought forward from previous lifetimes to help you assess what behaviors and mindsets need to be developed and what need to be let go. A full astrological chart gives information on many areas of life including life path, needs, career, relationships, family, children, health, and much more. Spiritual development and concerns are often an important focus. Nancy utilizes various charts...personal natal (life purpose, strengths, and challenges), progressed, solar and lunar returns (what's happening now and what's ahead), composite and chart comparison (compatibility in all kinds of relationships) depending on what you are looking for and want to know. Little is written in stone; an astrological chart is an evolving process which offers you many choices and possibilities.

Nancy also offers pet astrology for the furry companions in your life (you do not need to know the birthdate of your pet for a reading), tarot readings for greater illumination, and dreamwork for understanding of the night time messages you receive.

Nancy first practiced astrology while living on Crete in 1975. This experience on Crete helped her develop a cross-cultural perspective in her work.

Nancy holds a degree in psychology (Goddard College) with a focus on women's issues and dreamwork. She received her astrological certifications from Dr. Zipporah Dobyns and the Atlanta Board of Astrological Examiners. For tarot she studied with Carl McColman, Linda Sherer, Lyn Hammond-Gray, and Don Simmons. She has completed Advanced Certification through Anastasi System of Psychic Development. She has earned certificates in Life Skills Coaching, Emotional Freedom Techniques Level 1, and Usui Reiki Level 2.

Nancy is a member of The Metropolitan Astrological Society, The International Society for Astrological Research, The National Council for Geocosmic Research, The Association for Astrological Networking, and The American Tarot Association.
